Harvesting of grain crops is progressing satisfactorily on kolkhoz fields of the republic. As of 25 July, more grain crops had been harvested than in the same period of 1949, including 26 percent more by harvesting combines. The grain from 65 percent of the harvested area has already been threshed. Grain harvesting has been finished in Kvarel'skiy, Lagodekhskiy, and Gardabanskiy rayons, and is nearing completion in Signakhskiy, Tsiteltskaroy'skiy, and Telavskiy rayons.

As of 25 July, 11 percent less mowing had been completed than last year. Sagaredzhoyskiy, Mtskhetskiy, Kvarel'skiy, Akhmet'skiy, Tsiteltskaroy'skiy, Borzhomskiy, and Signakhskiy rayons, as well as the rayons of the South-Osetian Autonomous Oblast, are lagging in hay harvesting. By 25 July, 13 percent more ensilage work had been done than during the same period of 1949.

As of 25 July, 8 percent more tobacco had been picked than by the same date of last year. Tobacco picking is especially satisfactory in kolkhozes of Lagodekhskiy Rayon.

The year plan for tractor work is being carried out successfully by machine-tractor stations. As of 20 July, 38 percent more tractor work had been done than by the same date of last year. However, hay removing by tractors and ensilage work is progressing slowly.

As of 15 July, kolkhozes of the republic had prepared 31 percent more soil for tea plantations than in 1949. Mass picking of tea leaves is in progress on the plantations. As of 25 July, 75 percent of the year plan for procurement of tea leaves had been completed.

The second-quarter plan for centralized capital construction was completed 103 percent by construction projects within the Georgian SSR, including 101 percent by Union projects and 109 percent by republic projects.

The volume of construction completed since the beginning of 1950 exceeds the construction volume of the first 6 months of 1949 by 16 percent.

Individual ministries and organizations fulfilled the capital construction plan as follows:
